## Special Libraries Association Plenum Scholarship Program 1988/89

Special Libraries Association welcomes applications for the Plenum Scholarship for the academic year 1988/89. This \$1,000 scholarship is possible through the generosity of the Plenum Publishing Corporation. The award, to be announced in May 1988, is for graduate study leading to a doctoral degree at a recognized school of library or information science in the United States or Canada. The award is for those who have approval of their dissertation topic. Preference will be given to those applicants interested in special librarianship. Awards are made without regard to race, sex, age, religion, or ethnic background.

*Special libraries* provide research and information service to business, industry, and government. *Special librarians* are men and women trained in the theory and practice of library or information science as well as the fundamentals of a particular subject field.

**Eligibility:** Ph.D. candidates with an interest in special librarianship.

Citizens of the United States or Canada.

**Qualifications:** Definite interest and aptitude for special library work.

Good academic record.

Financial need.

**Applications:** May be requested by writing to:

Special Libraries Association  
Plenum Scholarship Committee  
1700 18th Street, N.W.  
Washington, D.C. 20009

Applications must be completed and returned by October 30, 1987.
